ORDER:

The Commissioner of Fisheries, A.P., Vijayawada in the reference cited has reported that the Departmental Promotion Committee has been convened on 27.08.2021 and the Committee has approved (9) names, out of which (5) posts for promotion on regular basis and (4) posts on adhoc basis in Zone-II for promotion to the post of Fisheries Development Officer (FDO) for the panel year 2020 - 2021.

2. The Commissioner of Fisheries, Vijayawada has also reported that the Departmental Promotion Committee decided to address the Government for according permission to promote (4) Assistant Inspector of Fisheries as Fisheries Development Officers on adhoc basis in Zone.II which posts are meant for Direct Recruitment, in view of requirement of services of Fisheries Development Officers in the field for extension activities and implementation of various welfare schemes and monitoring of infrastructure works taken up with Government of Andhra Pradesh and Government of India funding in Zone-II. The Government has very keen to achieve double digit growth from fisheries sector for economic empowerment of new state of Andhra Pradesh. Since the direct recruitment through APPSC will take more time and it results in hampering of work in the field and impact on the growth rate of fish and shrimp production. To fulfill the vision of Andhra Pradesh, it is highly desirable to strengthen the field level extension net works by giving encouragement to filed level officer with promotion.
